

CPPO Prepaid Symposium Agenda

*Prepaid is the fastest-growing payment tool and
an engine of Canada's digital economy.*

1:00pm Introduction and Welcome

Dave Eason, CPPO, Chairman of the Board

Jennifer Tramontana, CPPO, Executive Director

1:10pm - 1:30pm Keynote Address

Eileen Mercier, Payments Canada, Board of Directors Chair

1:35pm - 2:00pm The Growth and Adoption of Prepaid Products in Canada

Ben Jackson, Mercator Advisory Group, Director of Prepaid Advisory Service

Lisa Covens, Leger, Vice President, Communications and Public Affairs

Prepaid is the fastest-growing payment tool in North America. New research shows product trends and market penetration of these products in Canada and how Canadian consumers, particularly young consumers, are using traditional banking products less and adopting prepaid for certain occasions.

2:05pm - 2:30pm Payments Regulations in an Uncertain Economy

Dave Eason, CPPO, Chairman of the Board

Sharissa Ellyn, Norton, Rose, Fulbright Canada, Of Counsel and CPPO Legal Advisor

Canadian regulators have promised new prepaid and other payment regulations for 2017. Will anything change with U.S. regulatory and political uncertainty and what is needed from the industry? This session will provide a recap of learnings on AML, consumer privacy, KYC and other topics. The presenters will facilitate a group discussion on how best to provide information to regulators to craft viable policy.

CPPO Prepaid Symposium Agenda

2:35pm - 2:50pm Payments Innovation: Canada versus the rest of the world

Cyrielle Chiron, RFI Group, General Manager North America and Latin America

This researched-based session will look to other mature markets around the globe to determine how to drive prepaid in Canada.

2:50pm - 3:05pm BREAK

3:05pm - 3:50pm The Future of KYC

Jacqueline Shinfield, Blakes, Cassels & Graydon, Partner
Greg Wolfond, SecureKey, Founder and CEO

What is the future of KYC? Canada is providing a leading voice on identity and authentication as seen through new programs embraced by Canada's big banks. Panelists will discuss how new technologies are bringing big changes and ways that cryptocurrencies will adhere to KYC practices.

3:55pm - 4:25pm Lessons from the U.S.: How Connectivity Built a Market for the Self-banked

Brad Fauss, NBPCA, Executive Director
Jeff Johnson, NetSpend, Head of Commercial Prepaid

This session will discuss the evolution of prepaid south of the border, lessons from payroll products and what may change with the new administration.

4:30pm - 5:15pm The Business of Financial Health and Inclusion

Susan Herbst Murphy, Federal Reserve Bank of Philadelphia, Consumer Credit & Payments Expert
Daniel Eberhard, Koho, CEO and Founder
Anatoly Kvitnisky, Truioo, Vice President of Growth
Thea Garon, Center for Financial Services Innovation, Senior Manager

Financial health and inclusion goes beyond access to a bank account. Panelists will discuss the good business of promoting financial inclusion in Canada and globally, along with strategies to increase trust and safety and reduce debt and overspending.
